### Eydon Jubilee Initiative Fund. (EJIF)

#### Terms of Reference :

Initial monies for the EJIF arose from profits from the Queen Elizabeth the II's Diamond Jubilee celebrations, primarily the *Diamond Disco* of the 4<sup>th</sup> June 2012.

#### Aims of the Fund:

- 1) To help assist the setting up of new village activity groups.
- 2) To create new income streams for the Village Hall and Sports Field.

#### Applications:

Individuals or groups who wish to start new community activities can apply for limited funding to underwrite initial costs.

Funding may be towards legitimate expenses such Village Hall hire charges etc

The expectation is that a successfully established activity group should repay any initial financial help in order that the EJIF can support further new activity groups.

Applications will be considered by Eydon Parish Council or as appropriate by a committee of Eydon Parish Council.
